Hobbies

Looking after myself to create a healthy and successful future is important to me, so keeping mentally and physically active is a no brainer.

- Cycling, Swimming and running are my main endurance sports with the goal of completing a triathlon in 2021/22. Helping me keep my muscles functioning in a strong, healthy and flexible manner are Yoga & Stretching and the recent addition of Calisthenics.
- Hikes with acquaintances are help with endurance and map reading skills.
- Programming and Computing are a part of day to day life, providing opportunities for endless learning, helping others learn and progress through platforms such as: Stack Overflow and various Subreddits.
- Helping me take my passion for music to the next level is DJing: providing an outlet for creativity, refining precision, whilst allowing me to produce enjoyment for both others and myself.
- Further creativity and learning I enjoy through reading, writing and journaling whilst also enhancing clarity on life aspects.
